Amazing Wedding Package – 2013/2014

Amazing Wedding Package The Facts

Following the success of our Amazing Wedding Package within our portfolio we have decided to open our diaries with an Amazing Wedding Package at Eastclose for our remaining dates in 2013 and 2014.

The package will run at £29.99 per person, however we need to charge a supplement for Saturdays. The Saturday supplement is £5.00 between October and April and £10.00 between May and September.

The charge made by the Hotel for civil ceremonies when combined with our Amazing Wedding Package is £250.00 representing a 50% discount. The registrar makes their own charges; you should discuss this and all your ceremony arrangements with them.

Upgrading our Amazing Wedding Package is of course possible. The menu included is our Classic Menu as detailed in our wedding brochure. You must have the same menu for everyone, although any special dietary requirements can be dealt with on an individual basis. If you would like to change any part of the menu you may do so by choosing any of the supplementary dishes in our brochure, and adding the supplementary charge to the package price. Additional drinks are charged as per our tariffs.

Evening Buffets can be added to the package although we do not insist on this. A specially priced simple finger buffet has been put together to compliment our package at £11.99 per person. This is only available with the package, usual buffets and hog roasts start at £20.00 per person. With any buffet we expect you to cater for all your guests, under catering always reflect badly on the hotel which we will not allow.

Any children aged under 12 in excess of the minimum adult number will be charged at half price. You may choose either a children's menu or have half portions of your adult menu but this should be the same for all your younger guests.

Saturdays require a minimum number of adults for the hotel of 50 and the Conqueror 100. Minimum numbers for any other day are 30 for the hotel and remain at 100 in the Conqueror. There is no room hire charged for the hotel facilities with the package, we do however charge £3,000 for the Conqueror, which justifies us closing our restaurant. Marquee facilities are charged according to requirements but cannot be used for evening entertainment.

Conqueror weddings have exclusive use of the Conqueror Inn for the duration of their function and have the option of reserving the four Conqueror bedrooms, one of which is complimentary to the bridal couple. Exclusive and additional use of the hotel, can be secured for Conqueror weddings by booking the 11 house bedrooms. If exclusive use is not required for a Conqueror wedding the hotel may host a functions in the hotel. Both have separate entrances, car parks and our gardens are extensive. We will not however host another wedding on the same day. If the main hotel is booked for a wedding the Conqueror Inn will only be used as a restaurant.

Confirmation of any remaining date in 2013 and 2014 requires a non refundable deposit of £1,000. In the unlikely event that you need to change the date of your wedding after confirmation you will need to rebook a new date and confirm this with a new deposit. If we are fortunate enough to re-sell your released date we will transfer your original deposit to your new date.

Our cancellation policy is outlined in our terms and conditions and will be imposed no matter what the circumstances of cancellation. We strongly recommend wedding insurance. Once a date is cancelled the debt is passed to a third party for recovery, the hotel management have no authority to negotiate the matter further.
